Unleash Your Imagination

Each Space Saver Display is 8 1/2" wide X 8" deep X 21" high and comes with hooks for slat-wall or peg board. Displays are shipped with 6 cones each of 6 colors. Woolly Nylon is a 100% nylon heat setthread of incredible strength, stretch and memory. It's soft enough to snuggle next to a baby's skin and full enough in its relaxed position to provide ideal coverage for seams and rolled edges.
