Each shelf display is 16" wide X 9" deep X 4" tall with product. Shelves fit slat wall or peg board. Displays are shipped with 6 cones each of 6 colors. Woolly Nylon is a 100% nylon heat set thread of incredible strength, stretch and memory. It's soft enough to snuggle next to a baby's skin and full enough in its relaxed position to provide ideal coverage for seams and rolled edges.
